Photo or drawing	Step 1 In your own words describe what you did in step 1.
Photo or drawing	Step 2 In your own words describe what you did in step 2.
Photo or drawing	Step 3 In your own words describe what you did in step 3.

Reflection

Answer the following questions on this handout or in your books.

Think about when you were making your Japanese garden

1. What did you enjoy?
2. Did you follow all of the steps correctly?
3. Did you make any mistakes or forget something along the way?
4. What would you do differently next time?
5. How do you feel when you look at your Japanese garden?

Describe your garden to others

1. What does your garden look like?
2. How many rocks and stones did you use?
3. What other objects did you use?

Does your garden have a Japanese feel?

1. In your garden what did you use for the water?
2. In your garden, what did you use for the mountains?
3. What Japanese element did you add, and how did you make it?
4. What makes your garden have a peaceful feeling?
